Docent / Volunteer Interest Form

Thank you for your interest in volunteering at the Flagler Beach Historical Museum. We are always looking for friendly, talented people to docent/host at the Museum or work on special projects. Please complete the form below and we will back in touch with you.

What do Docents do?

Docents serve as guides to museum visitors to help them enjoy a more casual touring experience. When there are no visitors in the museum, docents can refresh their knowledge of local history and the museum displays, our marketing and tourism materials, or they can work on projects. Docents can also assist with off-site presentations and events. But most importantly is that every visitor departs feeling like they have made new friends at Flagler Beach Historical Museum.
