It's back to school time!

Shown is the Ocean City one room school which was located near the corner of Moody Blvd. and North Daytona Ave. The school was used from 1917-1925 at which time the Flagler Beach School opened at what is now The Wickline Building, 800 S. Daytona Avenue. Teachers at the one room school earned \$60 a month!

For more school photos and documents, visit the Museum at 207 S. Central Ave.
