

MUSEUM MEMO

**MARCH
2021**

Did you know Mammoths and Mastodons roamed the Intracoastal Waterway in the Hammock area from about one million years ago to 10,000 years ago?

Visit us to learn more about the prehistoric bones and teeth on display that were found along the waterway banks.

Regular Hours Resumed!

We are back open seven days a week 10 am – 4 pm! Thanks to our volunteers (Kyme Helms, Elizabeth Jones, Rob Miglina, Alita Peddle, Don Pierce, Brian Stuart, Rosi Viana, and Bev Zemlock) and Board members (Robbie Creal; Linda Jones, Julie Leopard, and Cathy Vogel) we are able to resume our normal business hours.

We're Also A Visitor's Center

Are you always looking for things to do when you have house guests? In addition to being a historical museum, we are a Visitor's Center for the Flagler County Tourism Development Office providing state and local visitor information. And if it's after museum hours, we have an outdoor brochure rack by the doors.
