6:00pm Pier Lighting

Saturday, December 4th

1:00pm Holiday Parade

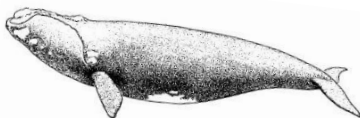

A Special Thanks to Our Sponsors

GENERAL MEMBERSHIP MEETING

The 2022 Flagler Beach Historical Museum General Membership meeting will be held Tuesday, January 11th, 5:30pm. The location is TBD and we will notify you upon confirmation.

The purpose of the meeting will be to vote on amended Bylaws. The slate of nominated Officers and Directors will be presented. Nominations may be made from the floor. Should there be more than one nomination for a post, that vote shall be by ballot.

Right Whale Migration

Each year from December through March, Right Whales migrate to this area to give birth and nurse their calves in warm, protected waters, before again returning north to feeding grounds off New England and Canada. Just off the coastline of Flagler Beach, some Right Whales come in close to shore – sometimes within a quarter-mile of the beach. Mothers can be seen with young-of-the-year calves, and juvenile whales may be seen traveling or playing. Visit the museum to see our Right Whale display. And visit the website of the Marineland Right Whale Project at www.aswh.org/whale/main.html for more information.

THANK YOU TO THE FLAGLER BEACH HISTORICAL MUSEUM PREMIER MEMBERS
